

THE CONTEST JUG
Uncorked Occasionally
for the
NORTHERN CALIFORNIA CONTEST CLUB
March, 1972 - Issue # 11

NEXT MEETING - - Friday, March 31, 1972, 8:00 PM

It's back to the Great Western Savings & Loan Assn. for our next meeting. Great Western is still located at 2400 Broadway, Redwood City. The current plan calls for a wrap-up/post mortem of the ARRL Contests, together with a surprise program known only to your President Ken, WA6DKF.

A WORD FROM KEN KEELER - - - -

The following comments from President Keeler are of interest to all, but are especially directed to those of you who find this section marked with a big red arrow. - - "Apparently we didn't put forth the intent of the activity/membership renewal sheet strong enough the first time. At the March 31 meeting, the membership will vote yes or no on continued membership of members considered deficient in club participation, as recommended by the Board of Directors. Remember, this is not a "joiner's" club! The Board's recommendation is based on the activity sheet, and at this stage, a minimal participation will continue your membership, if you send in your sheet. Please don't get dropped by default - send your sheet in time to be received by me no later than March 24. Activity sheets should be addressed to me at 3308 Plateau, Belmont, Calif. 94002." Signed: Ken Keeler, WA6DKF.

Again, if the above is flagged, and an activity sheet is enclosed, you owe Ken an activity sheet. Otherwise all is OK.
